

California OES Weather Threat Briefing

Saturday, November 23, 2019
9:00 AM PST

- **Day 1 (Sat):** No significant weather impacts today.

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

WEATHER KEY POINTS

11/23/19 - 11/29/19

Saturday-Sunday

- No significant weather or water impacts expected through the weekend, as drier and warmer weather settles over the area

Monday-Friday

- Increasing northeast winds across the state could bring elevated fire weather concerns Monday and Tuesday
- A large and cold storm system will move through the state late Tuesday through Friday, likely bringing widespread precipitation and gusty winds
 - Holiday travel will be significantly impacted, including accumulating snow at many mountain passes
 - Heavy rain may lead to flash flooding and burn scar impact concerns, especially in Southern Region
